With silent dreams floating on high,
We fly to new horizons
Unknowing where our destiny lies.
Classmates will scatter like balloons
In the unpredictable winds of fortune
That will help some to reach high
Pinnacles of success in their future endeavors,
And others to achieve levels of
Their hopes and dreams of distant horizons.
Reach for your distant horizon
For it is there to be lived and conquered.

The gym reverberated with yells and shouts of victory. The band played, the crowd roared, while Seymour, Toni Browers, rocked. It was a successful rally!

THE BLUE, THE GOLD . . .

They cheer, they shout, they jump all about. They yell, they scream, they are part of a dream. We watched them when we were winning and we watched them when we were losing.

AND THAT IS POWER!

HAPPINESS IS HALLOWEEN AT WILSON

Halloween on campus was one great surprize of fantastically creative costumes. It was a laugh a minute seeing them parade around the quad, while others gathered in groups of weird shapes and colors. The frog hopped, the pilgrims preached, the clowns cavorted and the others blended in to make one happy and hilarious time. Were those real masks or had the witch cast it's spell on special students? They were ugly, they were beautiful, they were brave creations!

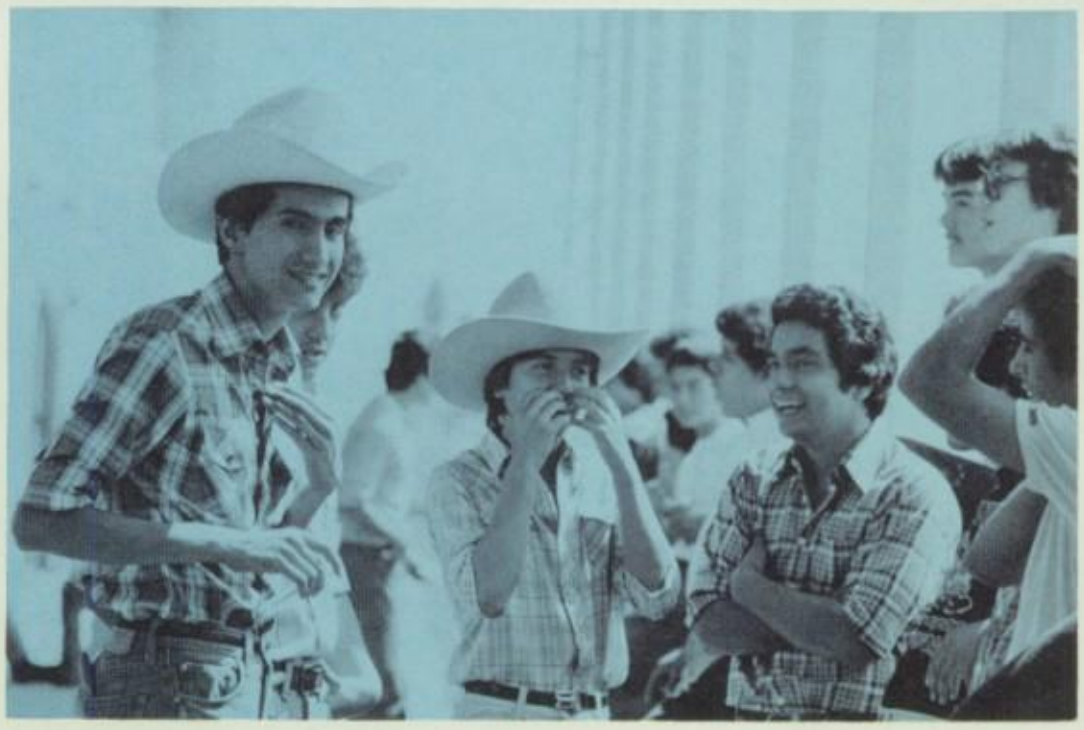
WHAT A DAY!!

Caesar had his Cleopatra, the ghosts spooked their ghouls, the Klu Klux Klan had their clambake, and the others mimicked their way through a memorable day. How can you top this? Wait till next year!

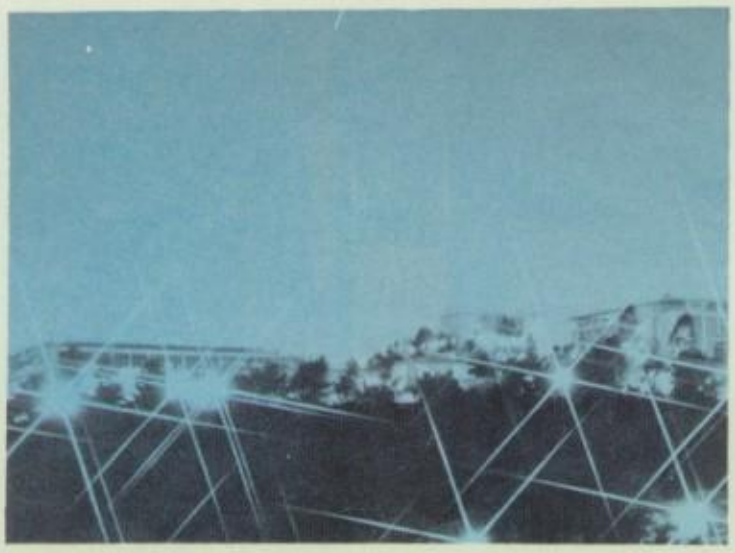
As the sun rose in the hills surrounding Wilson, visions of the 50's trodded up the hills to the gates of Wilson. It was probably the most exciting and creative specticle in which Wilson participated. The colors, the shapes were bizarre! Credit must be given to the brave people who devoted their time and creativity to provide the student body with an exciting and memorable day!

NUTTY NERD MADNESS . . .

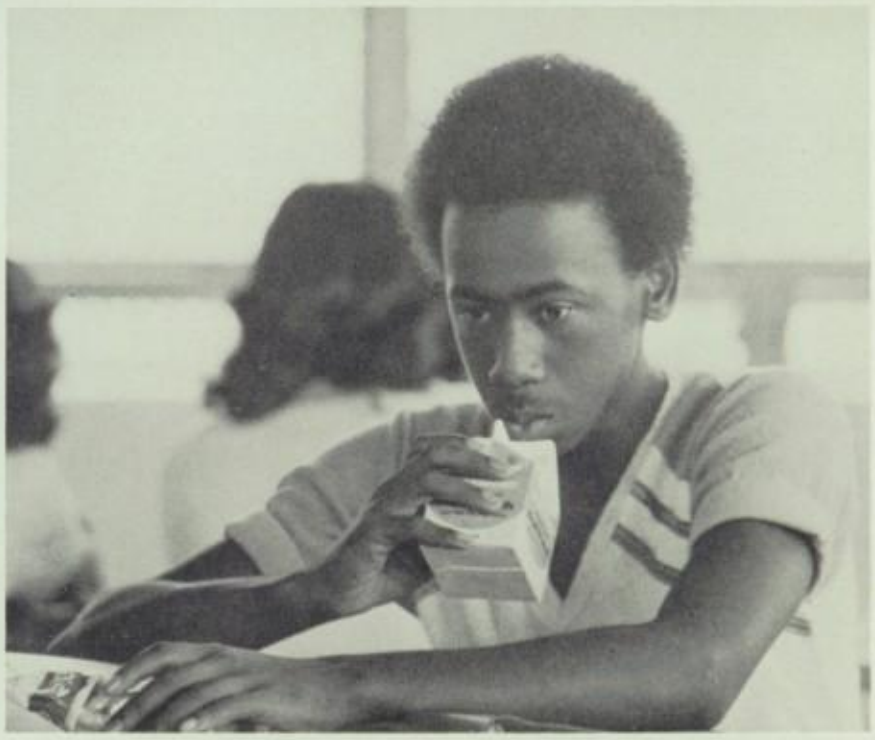
CANDID CANDIDS



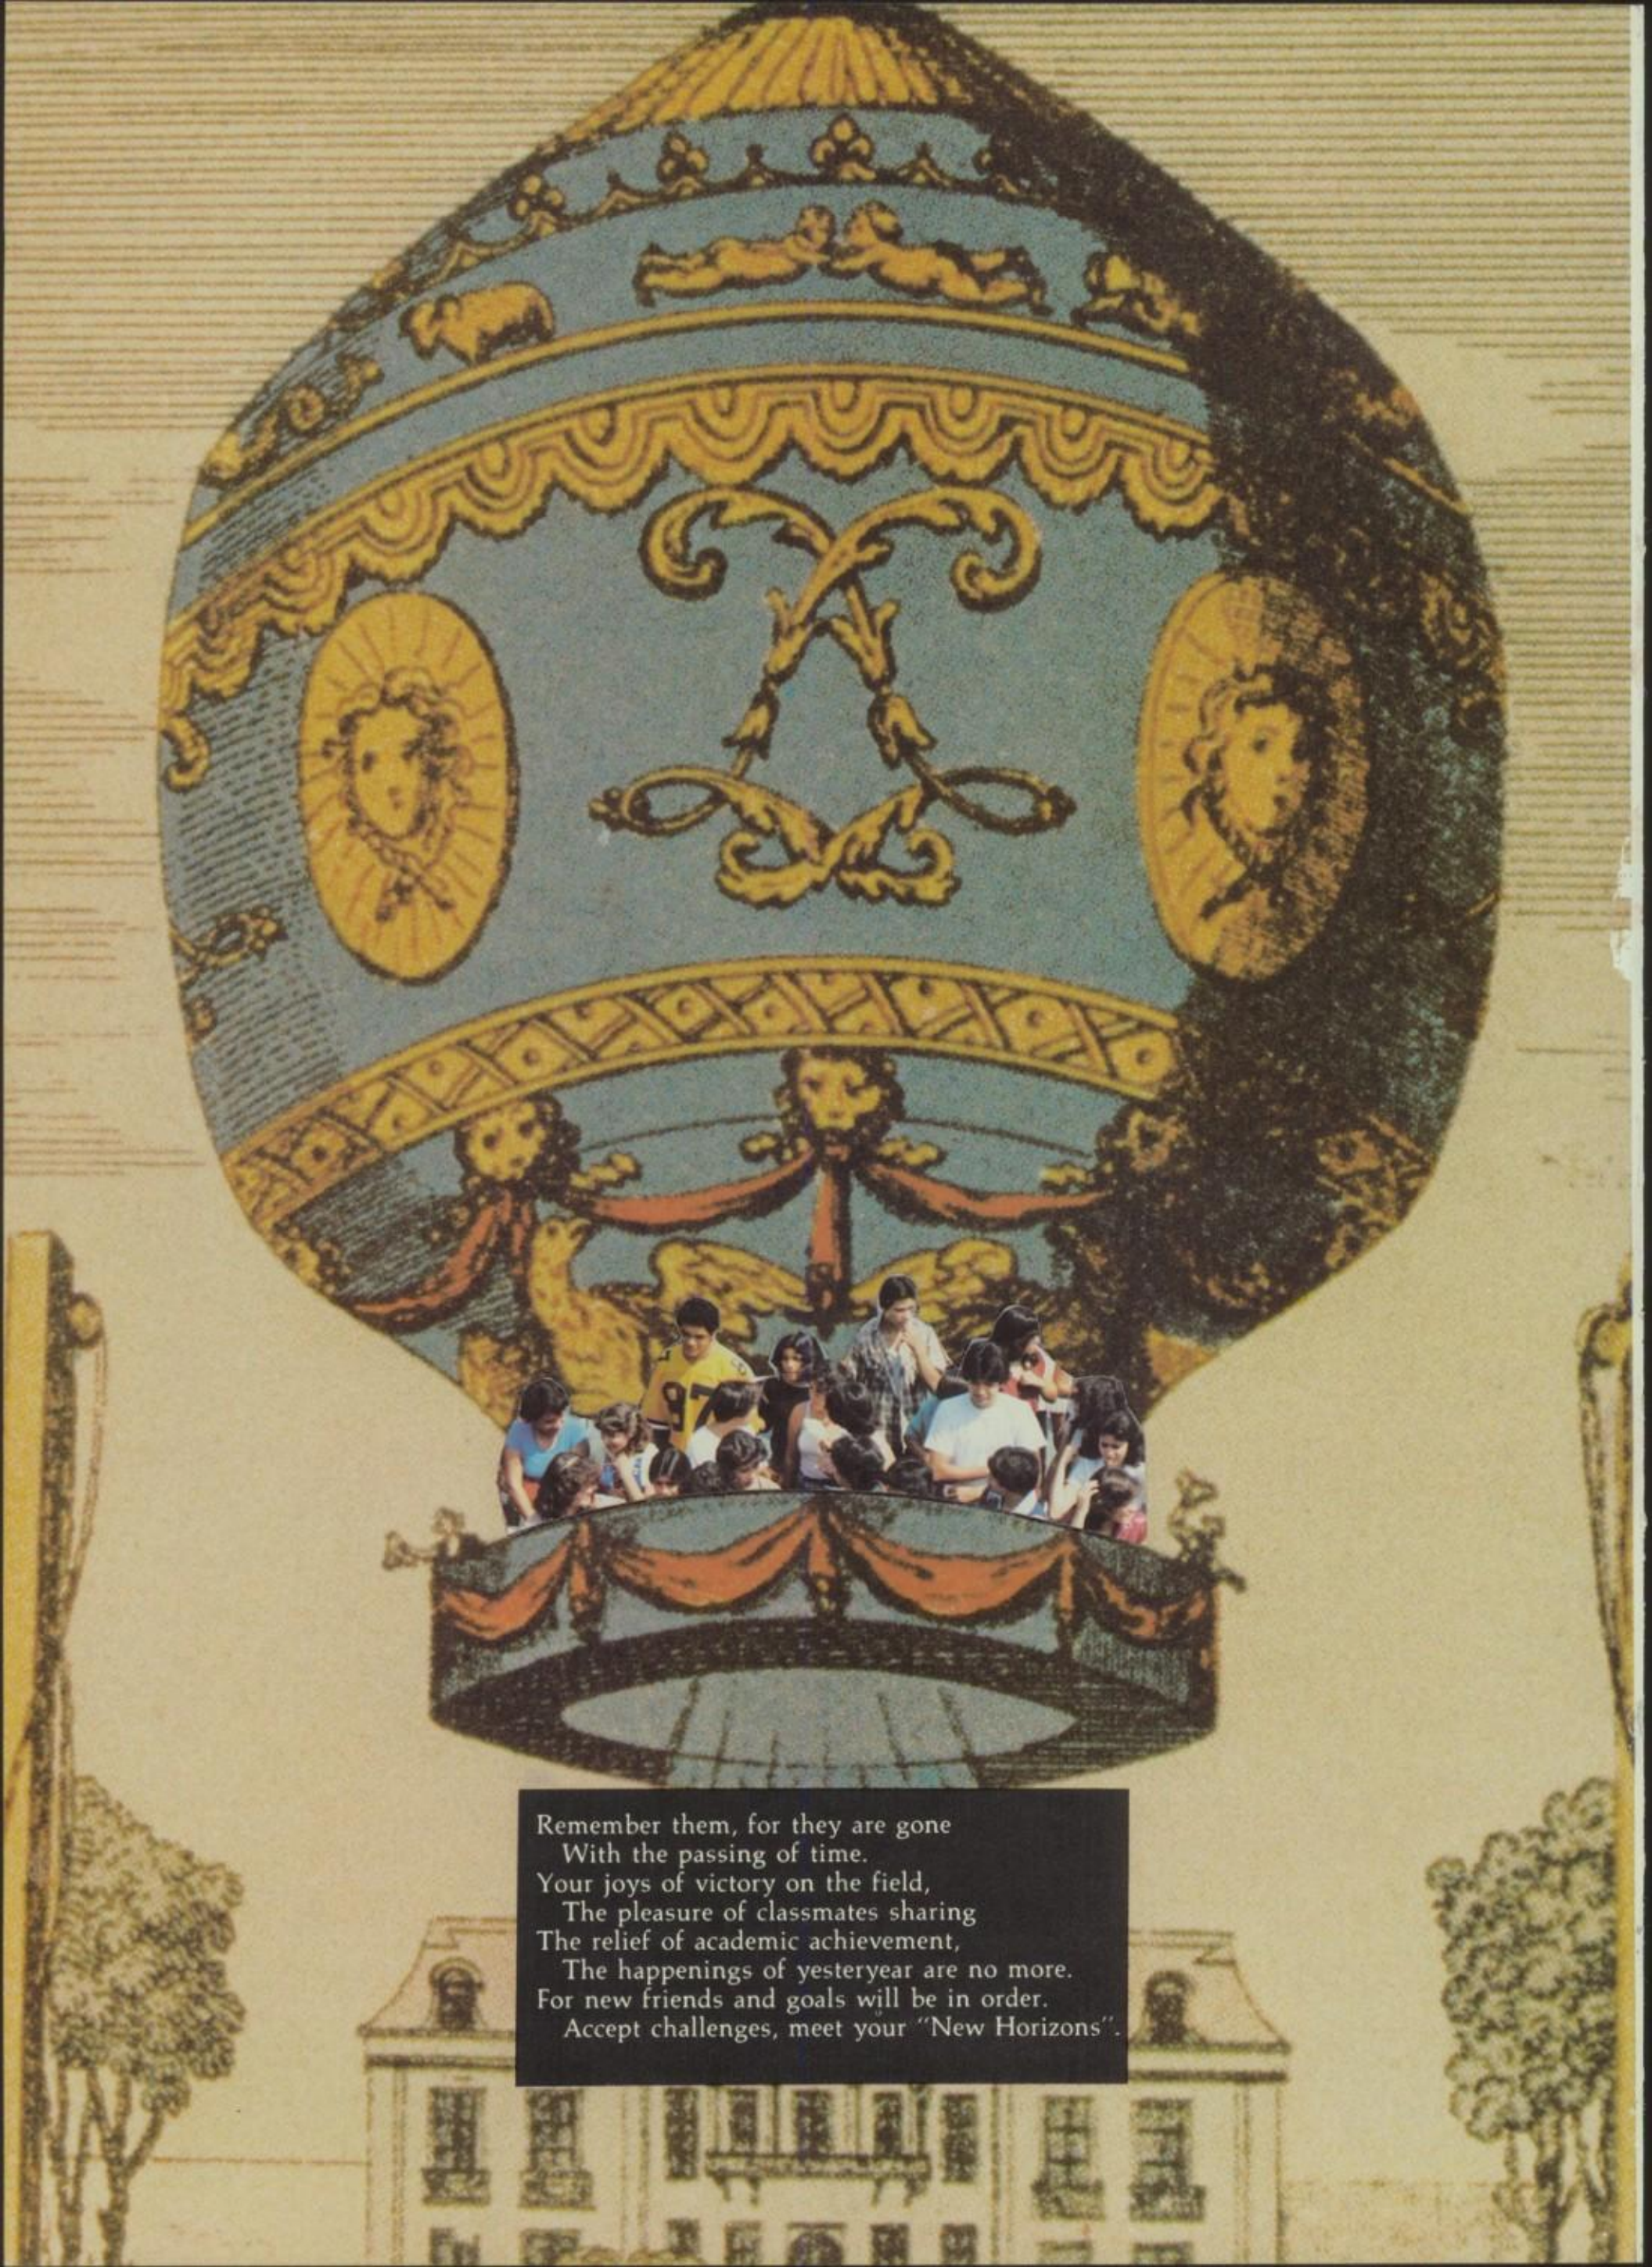
The heartbeat of Wilson can be felt during nutrition and lunch. Love in bloom, oratory, arguements, an occasional fight sparks the life of the campus on the quad.



GOSSIP - INTRIGUE



WILSON ON THE MOVE!



Remember them, for they are gone
With the passing of time.
Your joys of victory on the field,
The pleasure of classmates sharing
The relief of academic achievement,
The happenings of yesteryear are no more.
For new friends and goals will be in order.
Accept challenges, meet your "New Horizons".

Wilson is the home of exciting sporting events. The past years have seen champions in football, baseball, and badminton. Our golden years are yet to come. With the new addition of "Anything Goes," our super athletes are showing promise of conquering another world of crazy contests. The water splashed, the mud oozed as the participants from four high schools competed in a series of five events. The crowd loved every minute of the muddy affair. Wait till next year, the water will be deeper, the mud will be muddier, and the winners will be caked from head to toe flashing their winning smiles.

VARSITY FOOTBALL

This was our first year in the 4A division league. As ex-champions, we found the competition grueling and more competitive. We were up against the very best in our division. Despite the scores, we played outstanding football. We will take next year as a challenge to do better and to succeed at winning once again.

It was a rough season. Despite heavy workouts and the potential for a successful season, Mr. Katase saw hopes for another championship fade away as the team lost key games. We're hoping for a better outcome next season.

Our offense was big and promising last year, but the final scores indicated that we opposed teams that were superior to our caliber of play. The experience gained by playing teams such as Banning and Palisades. We will most likely make a better showing next year. Good Luck Team! This year's defensive team had their work cut out for them. They were stacked up against some of the most outstanding offensive teams in the city. The Banning game showed our spirit and determination despite a loss to the city championship. Wait till next year!

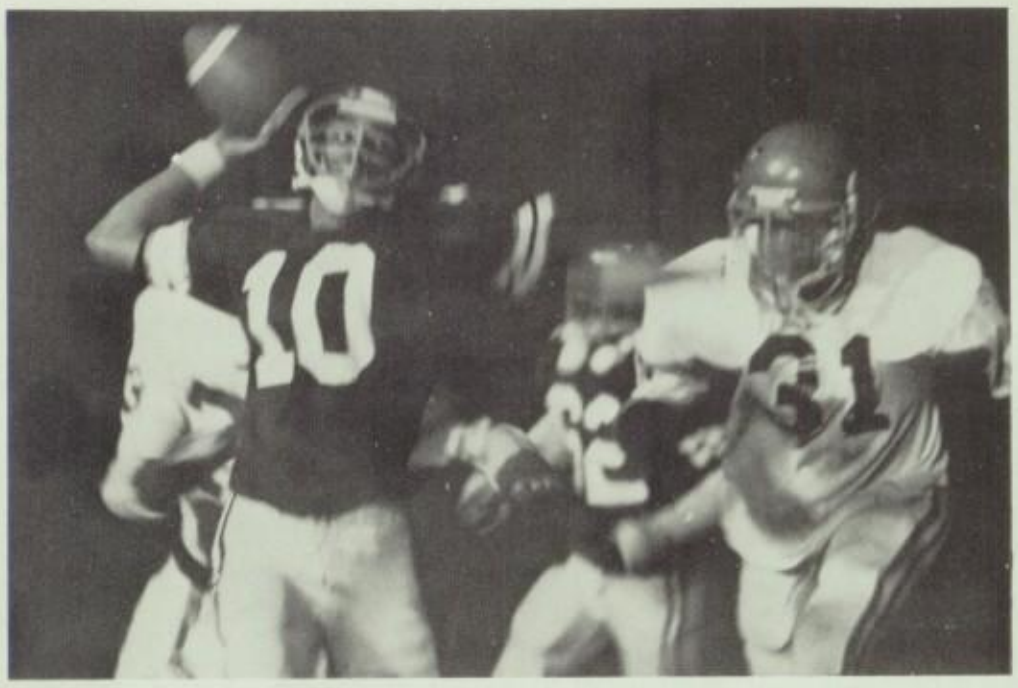
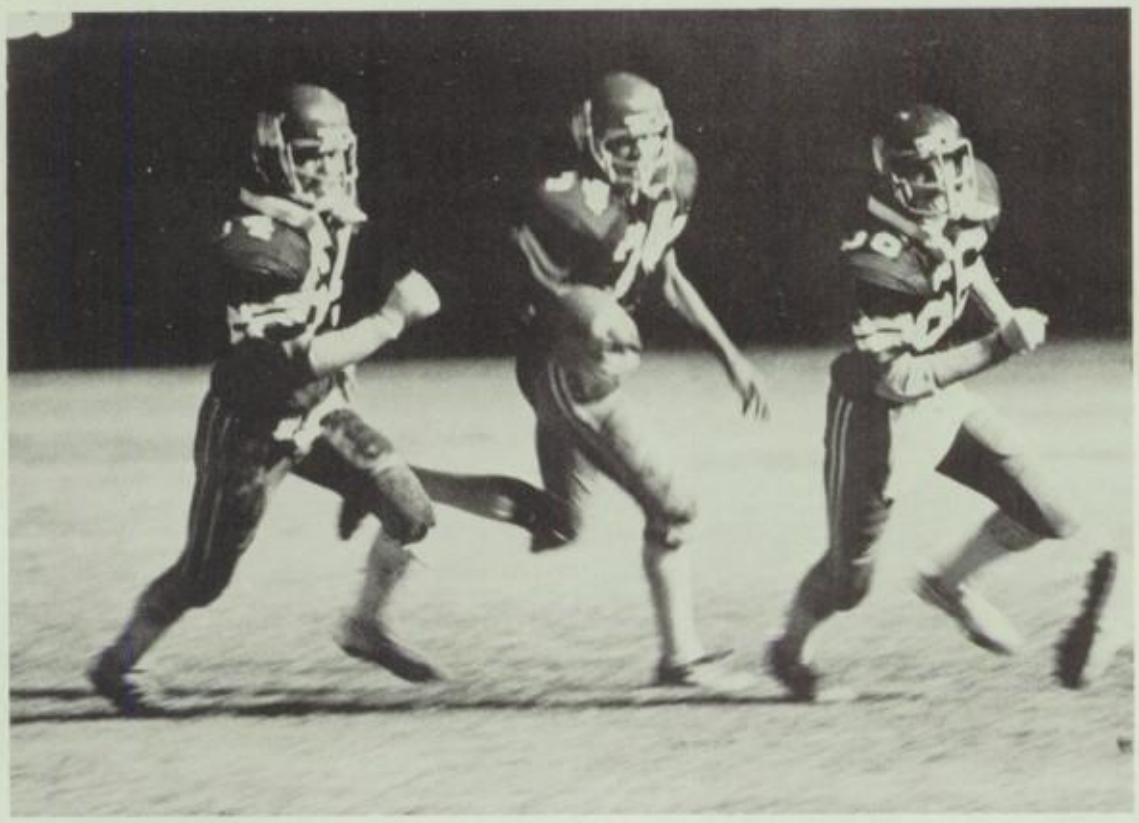
BEE FOOTBALL

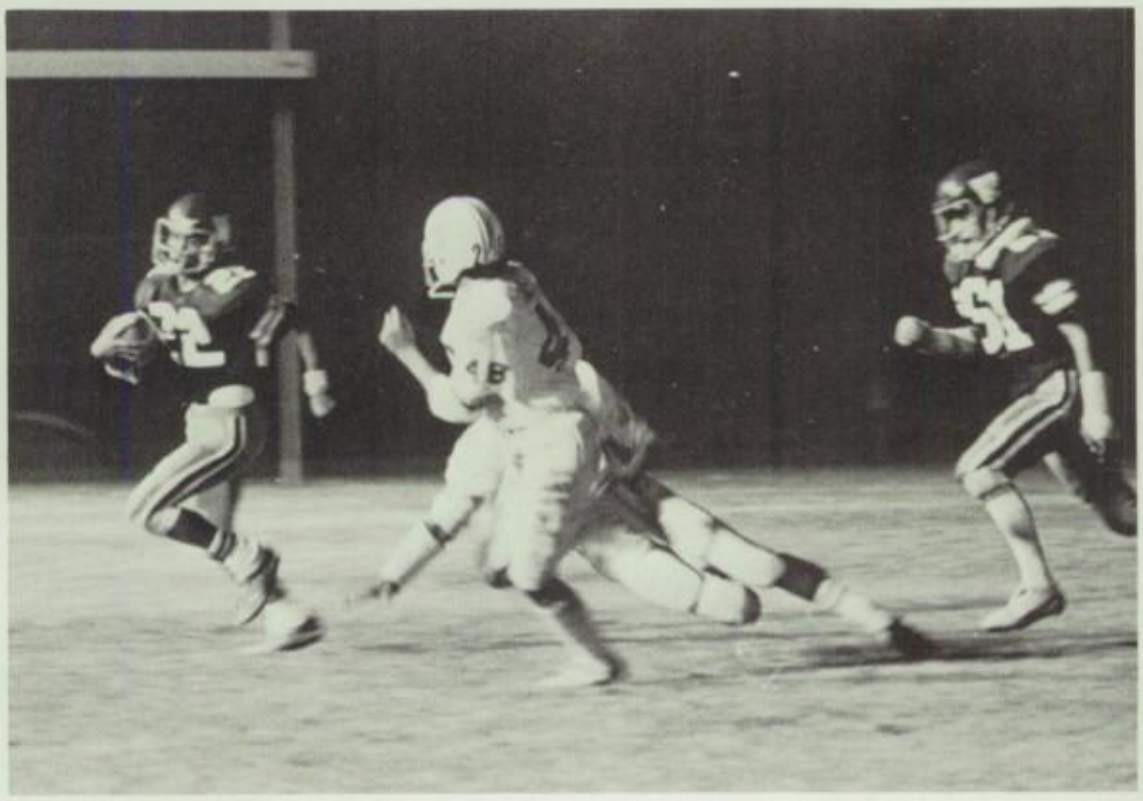


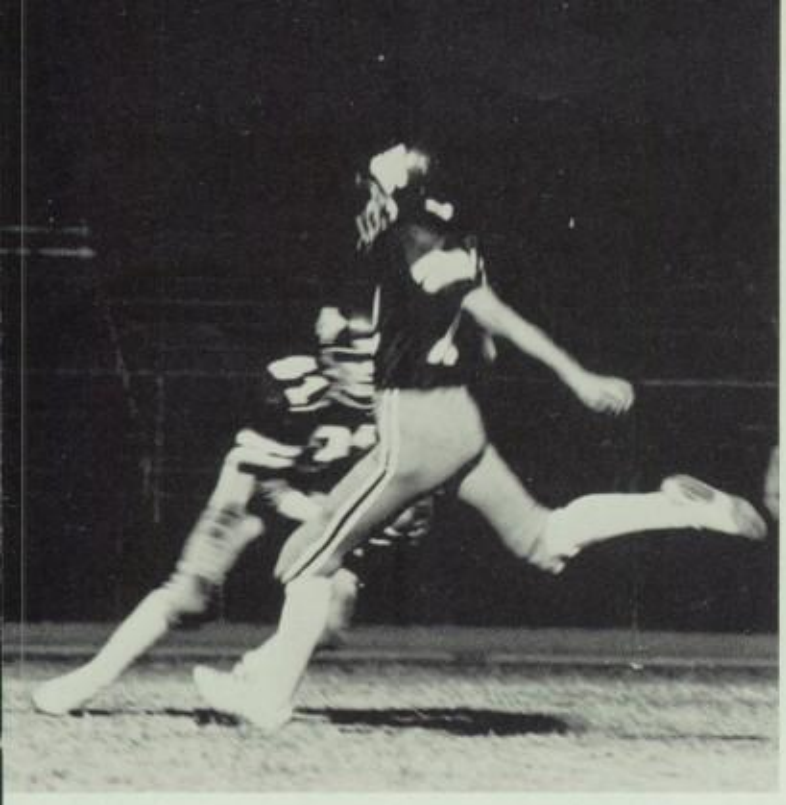
In a new league against tougher opponents, the Bee football team had a fine season. They're determined to practice harder to achieve a higher standing in next year's league. Good luck Mini-mules!!

BEE MANIA



This year's Bee football team was made up mostly of tenth graders, and some experienced juniors and seniors. The schedule was a rugged one. From nine games, they won four hard tough contests. Frank Arvizu played well and led the team through a satisfying season.





AT ITS PEAK

Our first season in 4A was a tough and rough one. Though our Baby Blue Bees tried their best, the competition was too much for them to handle. The result; a season ends with 4 victories and 5 losses.

Our Varsity Sharpshoters were at their very best this year. After years of frustration the team came through with a winning season. Coach Cantu feels that it was the players' determination to win that brought them unending victories. Talent such as juniors, Reggie Payton, Alex Armendariz, David Trejo, Robert Granadoz and sophomore Kenny Earls with back up relief from Louie Fernandez, Richard Aguayo and Sal DelaRiva made winning a reality.

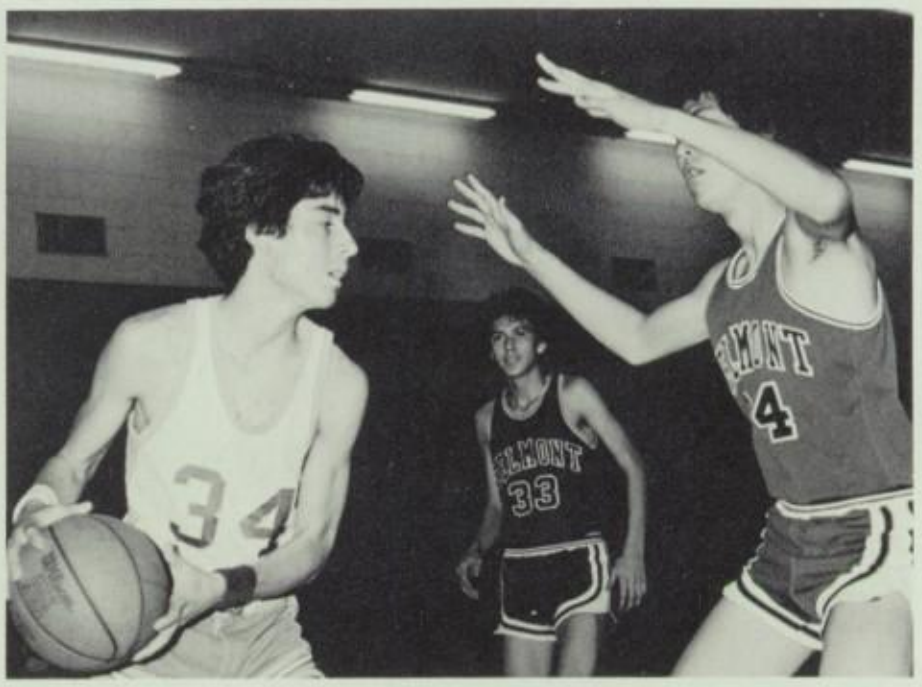
They never gave up no matter what the score was, with all that going for them all there could be were victories, victories that brought the crowds to their feet.



ALL THE WAY TO ONE!

This year's Cee team was mostly made up of inexperience 10th graders. Although they did not place very high in the league standing, they gained experience to help them to do better next season.

SPECIAL EVENTS

The Drama Club really showed a lot of their talent this year. In the play "Flowers for Algernon", Robert Galvez played Charlie, a retarded man who undergoes an operation to make him become more intelligent. The cast consisted of a lot of talented Wilsonites who, by the looks of their performances, may become future super stars of tomorrow!!

DRAMA

This year the "Almost Anything Goes" was held at Wilson's very own Barthel field. Wilson, Garfield, Roosevelt and the new addition Lincoln, all competed against each other in hilariously muddy and fast paced events like musical tires, bite the lemon, let's go to the prom and the tug of war. With scratched up knees, muddy hair and slushy shoes wonderful Wilson came in a filthy second place.

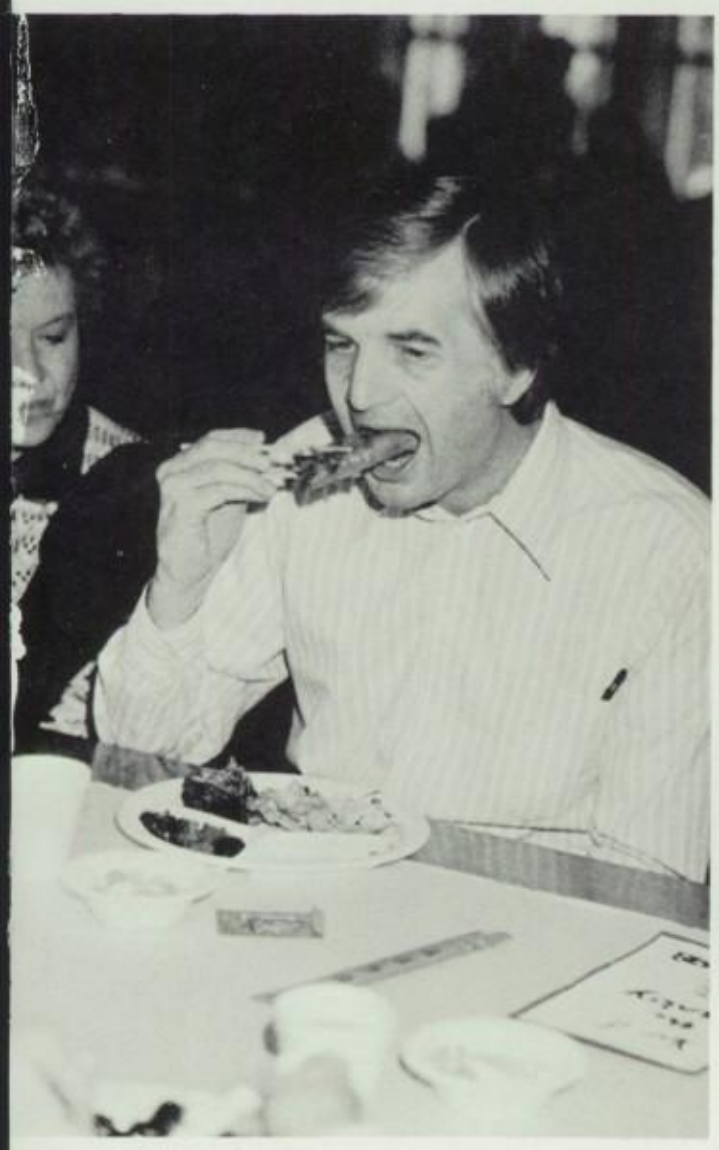
ALMOST ANYTHING GOES

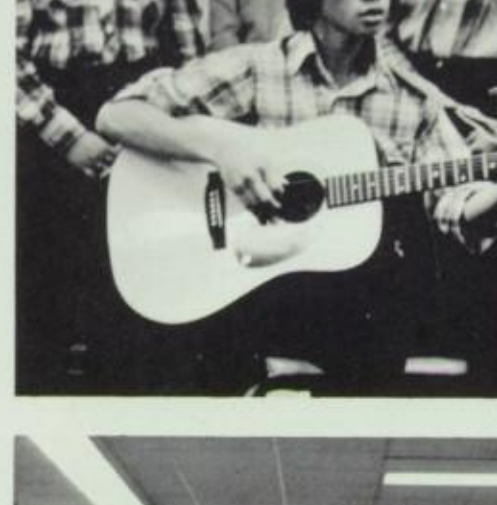
SNO-BALL '79

Sno-ball court:
10th grade queen, Carmen Candelaria; princesses, Sylvia Cervantes and Aida Hernandez
11th grade queen, Lisa Nunez; princesses, Diane Devone and Barbie Ream
12th grade queen, Rosie Jimenez; princesses, Julie Rivas, Kim Uballez, Denise Quan

The annual Winter Formal, dubbed "Sno-ball" at Wilson, was held in our very own multi-purpose room. The Lettergirls sponsered this gala event, being totally responsible for the decorations and atmosphere. They turned the M.P.R. from every day drab to romantic, snowy-white splendor. Soda Fountain provided the music and soon had many couples dancing around having a ball; a Sno-ball that is!

CHINESE LUNCHEON





"Gung Hay Fot Choy" which means "Wishing you a prosperous Chinese New Year" was said to the teachers when they walked into the library on February 15 for the luncheon, sponsored by the Asian American Awareness Club. While the teachers were eating, the students entertained them with the traditional Ribbon Dance, singing, a Kung Fu demonstration, a guitar solo and a recorder quartet. The Food was catered by the Deerfield Plaza Restaurant and made by the students, it consisted of sweet and sour pork, mixed vegetables, soy sauce chicken, Barbequed ribs and many more lip smacking yummy foods plus the original Chinese drink "tea". At the end of the Banquet the teachers were given little red envelopes with money called "laycee".

TALENT SHOW

"There's no Business like Show Business" was this year's theme for the talent show. It was held in Wilson's very own Multi-Purpose Room. Talented students and teachers performed acts of singing, dancing and acting. A day performance was given to the students and a night performace to the teachers. There were many live soloists and group performances. There were three Rock Bands and fifty's band called "The Heartbreakers!" Each act gave an all out effort to make it a good show. They deserve a round of applause along with Miss Phillips who sponsors this spectacular event every year!

THERE'S NO BUSINESS . . .

. . . LIKE SHOW BUSINESS

WILSON'S PRESIDENTIAL CANDIDATES

On a cold, cloudy January morning, the day started with our presidential candidates making their appearance in an unusual manner. The candidates were Maricela Mozqueda and her running mate Miguel Verdin who appeared on the horizon standing out of the sunroof of a beautiful chauffered car. He was surrounded by the M.S.S. (Miggy's secret service) and accompanied by his secretary, Debbie Amaya. Miguel and followers then proceeded to parade down Wilson's hall amid cheers of support.

During nutrition, Miguel Verdin was beginning his campaign speech when all of a sudden, from out of the blue, a latin male in his mid teens attempted to assasinate the presidential candidate!! It was a close call and the M.S.S. soon had their hands on this hard core criminal, later identified as Gilbert Gonzalez.

Maricela then made her pitch to Wilson voters, "Don't go for any gimmicks. Vote for the candidate that you think will do the best-job." When the votes were all counted, Miguel Verdin had been elected Spring Student Body President for 1980.

Another year has come to a close. As we, the yearbook staff of 1980, look over this past year, we will always cherish the special times that we shared together as a group. There were many long hours of trying to beat the early deadlines, the taking of pictures of events that hadn't even occurred and the many layouts and write ups that had to be taken home. A lot of time and effort has gone into this annual. We brought you some of the moments that you will relish for a lifetime. We owe Mr. Danyo, our advisor a debt of thanks and appreciation. His knowledge of putting and shaping together a yearbook helped us to overcome those deadlines and give you a book full of memories. So reach for your goals and expand your "New Horizons".
